

Christine Hoaglund, USNA '97

-I am from Texas, and enlisted in the Marine Corps in 1991 because I lost a football bet. As a young Marine, I was a Morse Code Interceptor.

-Somehow, I was awarded a NAPS billet for the USNA Class of 1997. I figured they would not make that mistake again, so I went.

-Commissioned as an Officer of Marines, I served as an Intelligence Officer in many a clime & place (mostly a country that ended with -stan). I left active duty in 2006, and drove cross country to live with my husband in Albuquerque, NM. My husband Jeff, (pictured above) is USNA '94 - NO, we did not meet at the Academy!!

- I currently work as a Project Manager for CACI, Inc. in Albuquerque and love what I do.

-We travel as much as we can, SCUBA dive, hunt, work out, drink lots of wine and cherish the lives we have.

*And from everyone who has been given much shall much be required; and to whom they entrusted much, of him they will ask all the more. Luke 12:48*
